***Re: Service Hours - David J. Todd***

***This is to confirm that David J. Todd provided 10 hours of service to the African Americans with Multiple Sclerosis Self-Help group, Northern California.***

***David performed this service during the past 4 months by providing assistance to our mobility challenged members at our monthly meetings. His assistance included but was not limited to the following:***

- ***Was the “look-out” person for the Para-transit vehicles that arrived at different times before and after the meeting;***
- ***Helped members get in and out of the vans and ensured that they were comfortably seated in the respective meeting room;***
- ***Helped serve refreshments during the meeting; and***
- ***Provided assistance to members as needed to and from the restrooms.***

***His service was very much appreciated by the African Americans with MS Community.***

***Regards,***
